WHEREAS the Supplier sells genuine Nintendo eShop prepaid gift cards and digital codes in wholesale quantities; and WHEREAS the Purchaser is an official partner of Nintendo and an authorized reseller and authorized distributor of Nintendo products, holding Letter of Authorization NCL-DC-HK-2026-0417 of Nintendo Co., Ltd. for the territories listed in Annex I of the Purchaser's Certificate SGT-NIN-2026-0929-001, and wishes to purchase codes for resale through its wholesale and retail channels; NOW THEREFORE the parties agree as follows:

1. **Definitions.** "Codes" means unused Nintendo eShop prepaid codes delivered as a code list or batch; "Purchase Order" means the Purchaser's written order stating product, region, quantity and price; "Invoice" means the Supplier's tax/commercial invoice referring to that Purchase Order; "Lot" means the batch identifier assigned under clause 6.

2. **Scope of supply.** The Supplier sells and the Purchaser buys genuine Codes of the Nintendo eShop product line, in the regions and denominations listed in Annex I of Certificate SGT-NIN-2026-0929-001, for resale by the Purchaser to retail and business customers. The Supplier is not the agent of the Purchaser; each party acts on its own account.

3. **Supplier's authority and authenticity of goods.** The Supplier warrants that (a) it holds authorization to resell genuine Nintendo products, evidenced by supplier reference TC-AN-2026-018; (b) all Codes supplied are genuine, new, unused, were not previously redeemed, re-obtained, reissued or altered, and were obtained through authorized channels; (c) Codes are not counterfeit and are redeemable on Nintendo's official redemption service; and (d) it has the right to supply the Codes free of third-party rights.

4. **Orders and formation.** Each Purchase Order placed by the Purchaser becomes binding upon the Supplier's written acceptance and issue of an Invoice referring to it; the Purchase Order and Invoice together constitute the contract for that batch. The Purchase Orders placed to the date of this Agreement are listed in Schedule A.

5. **Price and payment.** The price per Code is the price stated in the relevant Purchase Order, in United States dollars, exclusive of taxes of the Purchaser's market unless stated otherwise. Payment is made by bank transfer within the term stated in the Invoice; title to the Codes passes upon payment of the Invoice.

6. **Delivery and Lot identification.** Codes are delivered electronically as code lists within the period stated in the Purchase Order. Each delivery is identified by a Lot of the form LOT-<REGION>-<YYMM>-<NN linked to the Invoice, and Lot contents may not be amended after delivery without written agreement of the parties.

7. **Inspection and invalid Codes.** The Purchaser may test a sample of each Lot against Nintendo's official redemption service before sale. The Supplier shall, at its own cost, within five (5) business days replace any Code found invalid or already redeemed, or credit the Purchaser for it; replacement or credit of invalid Codes is the Purchaser's sole remedy in respect of invalid Codes.

8. **Purchaser's status.** The Supplier acknowledges that the Purchaser is an official Nintendo partner, authorized reseller and authorized distributor under Letter of Authorization NCL-DC-HK-2026-0417, and that the Purchaser may resell the Codes under its own name on nintendocards.supply, in its Hong Kong retail store and to business resellers.

9. **Intellectual property.** Nintendo, the Nintendo logo, Nintendo eShop and Nintendo Switch are trademarks of Nintendo Co., Ltd. Nothing in this Agreement transfers to either party any right in the other party's marks, and nothing here grants rights beyond the scope stated in the parties' authorization documents.

10. **Term.** This Agreement takes effect on 28 July 2026 for twelve (12) months and renews automatically for successive twelve-month periods unless either party gives written notice of non-renewal at least thirty (30) days before the end of the current period.

11. **Liability.** Subject to clause 7, each party's aggregate liability under this Agreement for any batch is limited to the amount paid by the Purchaser for that batch. Neither party is liable for indirect or consequential loss. The Supplier's warranty in clause 3 is not limited by this clause.

12. **Termination.** Either party may terminate this Agreement for material breach not remedied within fifteen (15) days of written notice, or immediately upon the other party's insolvency or unauthorized use of the other party's marks.

13. **Governing law.** This Agreement is governed by the laws of the Hong Kong Special Administrative Region, and the parties submit to its courts.

14. **Entire agreement.** This Agreement, its Schedule A and the parties' orders and invoices constitute the entire agreement on the supply of Codes and supersede prior discussions. Amendments must be in writing (including electronic). It may be executed in counterparts and by electronic signature.
